

# NFDA Cremation Certification

**NFDA**

NATIONAL  
FUNERAL  
DIRECTORS  
ASSOCIATION

A must-have certification for everyone  
offering cremation to the families they serve

EDUCATES

The recognized certification standard for funeral service professionals, NFDA's Certified Crematory Operator Program™ covers ethics, crematory operations, safety, liability issues, cremation arranging and much more.

**This training is necessary for the successful evaluation of third-party crematories.**

Learn the best practices for safe, proper, and ethical crematory operations and for excellence in service to cremation families!
